**To whomsoever It May Concern**

It gives me great pleasure to have known Linita Rane for 3 years in my capacity as Head of the department of B.A.M.M.

She was a bright and enthusiastic student with an inquisitive mind and always eager to learn. She has good analytical and imaginative skills that she has demonstrated ever so often during class participation and group projects.

Her assignments, teamwork, presentation and seminars were always on time. She has the ability to view the problem from different perspectives and come up with different solutions. This ability clearly establishes her as a trend setter among her peers.

Apart from this, Linita has good leadership potentials, as was evident from her class discussions, her representations, for her class debating competitions and other extra - curricular activities. Linita has been a great asset to the college in representing the college for inter-collegiate festivals.

She has very effective communication skills and highly developed organizational skills, which were evident in the 2 years that she was a part of the organizing committee of the B.A.M.M festival organized by the students. She also has good creative and designing skills, as she was the head for creative committee for the departmental festival.

The college is proud of her achievements in her chosen field of work. I therefore strongly recommend her to your program, as she will be an asset to any institution she joins, and wish her all the best for future.
