We are sending a CD containing Photos of our NSS students giving "Shramdhaan" during NSS camp from 23/12/2014 to 29/12/2014. At King circle station 60 volunteers picked up garbage all around the railway station spreading awareness about cleanliness. This day also students carried brooms and swept and scrubbed the walls of the station. The students scrubbed every wall at the station and painted the walls and also the railing of the bridge and beautified with slogans and posters, and also aware one to one comutor on the station area.

We want to now beautify the station.
