Vocational Guidance by Samvedna Counselling centre

Vocational Guidance at a personal level is conducted by Samvedna Counselling Centre for students who are interested in one to one individual and family sessions. Vocational Assessment is also provided to help them identify their skills and strengths that help in finding a suitable profession, and weaknesses that can be enhanced or modified. It also helps in determining their interest in various fields and psychosocial functioning that will affect employment opportunities. Samvedna Counselling Centre has seen the following number of students for Vocational Guidance in the last 5 years:

Year	No. of students for Vocational Guidance
2013-14	12
2014-15	10
2015-16	11
2016-17	16
2017-18	25
