

Generative AI – hands on Training for Staff (6 August, 2026)

Criterion II – Teaching-Learning-Evaluation (TLE) organized a Workshop for Degree College Teaching Staff on Generative AI for Teaching-Learning on 6 August 2026, with Dr. Swapnil Shenvi as the Resource Person.

The session offered hands-on experience with leading AI tools such as *Khanmigo*, *MagicSchool AI*, *Brisk AI*, *Napkin AI*, *NotebookLM*, *Edcafe AI*, *Yoodli*, and *Parakeet AI*.

Dr. Shenvi demonstrated practical applications of these tools for creating lesson plans, mind maps, videos, podcasts, and infographics. The workshop was highly interactive, encouraging teachers to explore innovative and effective ways of integrating Generative AI into classroom practices.

The workshop proved to be an enriching experience, equipping faculty members with valuable skills to integrate Generative AI into teaching-learning processes and preparing them to embrace technology-driven pedagogies.
