

NSS Mock Drill – 4th Training Session (25 August 2026)

On 25 August 2026, the NSS Unit organised its 4th Training Session – Mock Drill for students. Mr. Rajendra Lokhande conducted the session and demonstrated essential emergency-response techniques that to be used when immediate medical assistance is unavailable. Using commonly available household materials, he illustrated practical methods to provide first aid and manage sudden crises.

Mr. Lokhande also guided students on how to remain calm and effective during unexpected disasters, emphasising preparedness and presence of mind.

120 students along with a NSS Programme Officer attended the session. The training session empowered students with valuable skills in disaster management and emergency preparedness.
