

Smt. Maniben M. P. Shah Women's College of Arts & Commerce (Autonomous)

### 7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust

The institution has prioritised the need for inculcating human values among students. With this objective, we have initiated activities aimed towards Value Education and Geriatric Care. The institution not just wants to focus on skilling its women students for a vocation, but being in tune with its Vision, wants to make its women students responsible "home-makers, professionals and citizens".

The key objectives of ethical training to cultivate a holistic approach to life, where they learn to value a balanced life of a purposeful career and personal life; they understand the relative value of different viewpoints expressed by the young and the elderly; and, lastly, they begin to introspect about their priorities.

The activities in the thrust area have culminated in signing of a Memorandum of Understanding with Smt. Surajba College of Education, Juhu, Mumbai, for a course in Value Education. We have also signed an MoU with Tulsi Trust, Mumbai, for a project on 'Graceful Living', which has a focus on activities for geriatric care.

Graceful Living in association with Dept. of Sociology, Smt. M.M.P. Shah College (Auto.) presents
