An Appeal

Sponsoring education of Girl students for continuation of studies

Smt. Maniben M P Shah Women's College is a 63-year-old institution on a mission of educating the girl child. Founded in 1957 as the very first affiliated college of the prestigious SNTD Women's University it has become the symbol of women empowerment through education. The college offers a safe and secure environment to girls aspiring to study despite their challenging circumstances. This year due to the COVID 19 Pandemic & the financial difficulties it has created, we fear that many more of our students will need financial support in the form of sponsorship of fees to be able to continue their education. We invite you to be the beacon of light for these first-generation learners with extremely limited means at their disposal. Your generous and noble act will not only support such students' education but by empowering them will lead to uplift their families and thereby lead to national development. The fee chart for the various courses is given herewith. You can sponsor one or more students from any/many courses. Come, Be Their Messiah!

Donations can be in the form of Cheques / e payment to the college. Account, details will be made available on request
