- Placement Cell organized a workshop of 'Work from Home' by a trading company called One on One with great online presence for FY, SY & TY BA, B.COM, BMS students.
- Placement Cell in collaboration with IQAC organized an informative lecture on various courses offered by education technology, Juhu, SNDT. Dr. Madhavi Dhanekar was the speaker on 6-2-2020. It was organized for TY BA, B.COM & BAFI students.

Innovation & Incubation Centre

College started the above center in the year 2018-19

- 27 Child Development students prepared various things under the topic “To Enhance Entrepreneurial Skills” under the banner of CREATIONS (opportunities for budding Entrepreneurs) & put up stalls from 17-19 December, 2019. They prepared and sold items such as homemade soap, jewelry, lanterns, keychains etc.

- The Incubation Centre of the College encourages entrepreneurship among present or past students of the college by providing table space free of charge to display and sell products made by the students. Ms. Nilofer Jailor, our alumni put up her stall selling chocolates on the 5, 12 and 19 October 2019 and 14 December 2019. She received orders for Diwali hampers during the sale. Ms. Nilofer has received the FSSAI license for her products. She also put up a stall during the Nutrition Week celebrations at Dr. BMN College of Home Science on 1-9-2019.
