

God's Wonder

A six lettered magical word – “MOTHER.”

An expression that expresses Affection , Supervision
,Exasperation ,

With Determination and Conviction .

Envisage coconut ...

Oui! Just like that,

Robust from out,

Soft and tender from core.

A creation Creator created,

With amity and absolute vigil,

Essentially with caution.

Fusion of sugar and spice.

Who are imperfectly perfect!

How can we forget her sacrifice?

A being who quit her ambition ,

To accomplish ours

Mother, as chilly as shade,

As scary as shadow.

As a companion, will there be,
Our unceasing warrior.
