वागीश्वरी 2019-2020

# From the Principal's Desk

**Greetings!**

The academic year 2019-2020 has been a remarkable year in many ways.

We hosted the NAAC Peer-Team for the re-accreditation process under its new and revised format. Years of focussed activities and months of visit planning culminated fruitfully. The institution was awarded CGPA of 2.88/4 with a grade of B++. The institution also hosted the $2^{nd}$ CPE advisory meeting wherein it showcased its activities funded by the UGC PE grant.

The busy year also had all departments and functionaries geared up for implementing Autonomy. Curricula up-gradation, forming various Board of Studies, Academic Council, Finance Committee and Governing Body meetings all revolved around the mission to bring in relevant, current, skill-based ICT-enabled training for our students. The institution also continued its efforts for skill development and under the SMES CSR, initiated project "Nipun" to train students in the area of Digital Marketing.

The COVID19 pandemic, initially did stump us in our working, as it did the entire world. But as the saying goes: *Where there is a Will, there is a Way*; we steadily built up the momentum of working through the online mode of communication. The digital medium facilitated us to reach out once again to our student community and re-establish contact with them.

The NSS Unit in addition to its "*Mutthi Anaaj Daan*" included other pandemic essentials like facemasks and sanitizers in its ration kit and reached out to our students during the difficult times. Our benevolent management announced financial aid for staff members and their families affected by the pandemic.

A remarkable initiative by the Counselling Cell "*Samvedana*" and the Department of Psychology, a daily post on "Mental Health and Well-Being" for all stakeholders won appreciation from all quarters and now the department in collaboration with SNDTWU offers telephonic counselling services for COVID19. Webinars and e-meetings facilitated the academic and administrative process under autonomy.

The activities of next academic year has been planned in keeping with the unusual circumstances brought about by the pandemic with E-content development as the area of prime focus.

I fervently hope that the next academic year will seen a re-opening of the institution in full capacity, in-order to serve our stakeholders well.

**"A year that saw the world change"**

It is said that change is inevitable and to change with times is the way to success. The institution changed gears, from Affiliation to Autonomy. We have embraced the change and are using it as a launch pad to achieve our dreams and aspirations; we are using the change to further our mission of *Women Empowerment*.

The COVID19 pandemic and the subsequent lockdown did restrict academic and administrative activities initially but digital technology brought the world of our stakeholders closer. Communication over digital mediums facilitated online sessions, e-meetings and webinars. The way forward surely lies in embracing the hybridity of online and offline interactions.

*Vageeshwari* too has decided to shift its perspective from being an agency for record keeping to highlighting institutional strengths and innovations. To reflect this, the magazine is altering its look and composition. The magazine will reflect the plethora of activities- academic, co-curricular, extra-curricular, to celebrate the achievements of stakeholders in an academic year.
